

NEURODIVERSITY, SEXUALITY AND SAFETY

with Angela Geddes

WHEN:

Tuesday, February 15th, 2022

12:00pm – 1:30pm

Virtual via Zoom

To register, contact:

kim.stewart@noojmowin-teg.ca

This webinar will focus on advocating and supporting individuals with a neurodiversity, in the areas decision making, sexuality and safety planning.

Please join us in welcoming **Angela Geddes** as a guest speaker, In partnership with the Children's Community Network.

Angela Geddes

Angela has over 25 years of experience supporting individuals in a variety of settings. She is currently in private practice providing education, advocacy and direct support for individuals and families experiencing complex issues including the impact of PAE/FASD. Angela is also an active member of the FASD ONE Diagnostic Action Group and involves herself in many different projects aimed at building a more inclusive service delivery system.
