

Participate in a study on Legal Decision Making!

Individuals between the ages
of **12 and 24** who have **FASD**
are invited to participate

- Participation will take 2.5 hours in total over **two or more sessions** (with breaks) via Microsoft Teams
- A caregiver or support person is welcome to attend with you
- You will be asked to read a legal case, make legal decisions, and complete problem solving activities
- You will receive a **gift card** for your time and effort
